

The Swedish Open Village – An accommodation option for players

We wish for the participants of Swedish Open to have access to affordable and pleasant accommodation during their stay in Borås. It is therefore with satisfaction that we can present the Swedish Open Village – 24 cabins located on the premises of Borås Camping, beautifully situated on the river Viskan. Each cabin has a bunk bed and a larger sofa bed, which means that three persons can comfortably stay in each house.

The camping area has a lot of leisure activities to offer. For instance, barbecue, paddling, fishing, pool, miniature golf and – disc golf on the camping 9-hole course! Additionally, the Swedish Open organization will have player hosts on site to help with any questions you might have. They will also arrange fun activities.

All in all, the Swedish Open Village will be our version of an Olympic Village. We are sure you'll like it!

The price for three nights (starting from Thursday, July 7th) is SEK 3000. Bed linen and towels are not included but can be rented from the camping (SEK 100 for linen, and SEK 30 for a towel).

For booking, or for questions about the accommodation, send an email to: swopen@ymerfrisbee.se

When booking, please include the following information:

- Name of the person responsible for the booking
- Email address to which the advance invoice should be sent
- Number of people who will stay in the cabin
- Potential wish to share the cabin with someone else (we will help to coordinate such requests)
- If early check in on July 6 is requested (price for 4 nights is SEK 4000)

More information about the camping can be found at: <https://borascamping.se/en/>
